**MATCH DAY VOLUNTEERS URGENTLY NEEDED**

Members - we would love for you to volunteer some time on match days either before, during or after the game. A small amount of your time will make all the difference to the small band of regular volunteers who help to make match days enjoyable for you all. From putting up/taking down nets, being a steward or just picking up some rubbish after the game, your help will be hugely appreciated. Please ask at the Club how you can help - you really will make a difference.

**THANKYOU** to **TONY & SANDY BUTTERFIELD** - always the first up after the game to help out!

## **Mandurah City FC JUNIORS NEWS**

### **THIS WEEK'S JUNIOR MATCH REPORT - U11 Orange**

Our players appear to be really enjoying themselves every time they take the field and this week's local derby against Rockingham was no exception and went right down to the wire. The game was played at quite a furious pace at times with some fine examples of teamwork and the odd trick or two as always - I think the parents and supporters were also enjoying the show - I know I certainly was!

The game was definitely another all round team performance and it makes my job easy when the players not only listen but then go out on a Sunday and put all the practice into their game. And all this after the exceptional training session we had with Charlie Smith last week it was even better to watch the players put all their newly acquired skills into the game. With the match at a 1 - 1 draw with only a couple of minutes to go it was fantastic to see Mat the goal sneak with a great strike so that Mandurah came away on top 2 - 1.

A huge thankyou to Dave for refereeing and thanks to all of you who assisted with the taking down of nets and goal shifting - it is so much easier with many hands!

Coach Tony Butterfield
