

Sponsorship Mandurah City F.C.

Mandurah City values its associations with all its sponsors and business partners.

Being a business partner of our club offers a win-win opportunity to become part of the Mandurah and Peel region's sporting community as well as opening ways to grow your business through our growing army of players, families, and supporters.

We can provide high profile signage spots – visible to thousands of pairs of eyes every day, joint marketing initiatives, community reach programs and ways to help you sell your products.

Football is the number one participation team sport in Western Australia, our current opportunity for stadium naming sponsorship provides the opportunity not only for local exposure but for brand association to the whole Football West community. Read more about the reach of football in WA at <https://footballwest.com.au/football-still-number-one-sport-wa/>
